Mr. OBERSTAR, from the Committee on Transportation and  
Infrastructure, submitted the following

R E P O R T

[To accompany H. Con. Res. 79]

[Including cost estimate of the Congressional Budget Office]

The Committee on Transportation and Infrastructure, to whom was referred the concurrent resolution (H. Con. Res. 79) authorizing the use of the Capitol Grounds for the Greater Washington Soap Box Derby, having considered the same, report favorably thereon without amendment and recommend that the concurrent resolution be agreed to.

PURPOSE OF THE LEGISLATION

The purpose of House Concurrent Resolution 79 is to authorize the use of the Capitol Grounds for the 2007 Greater Washington Soap Box Derby.

BACKGROUND AND NEED FOR LEGISLATION

The resolution authorizes the use of the Capitol Grounds for the 2007 Greater Washington Soap Box Derby. The 2007 Greater Washington Soap Box Derby is to take place on Constitution Avenue between Delaware Avenue and Third Street, NW, in Washington, D.C., on June 16, 2007. The Greater Washington Soap Box Derby has been held on the U.S. Capitol Grounds since 1991. It has attracted more than 50 participants each of those years. Participants competing in the event will range from ages 8 to 17 and come from the Metropolitan Washington D.C. area. This summer, the winners from each age division of the Greater Washington Soap Box Derby will compete for scholarships and merchandise prizes in the All-American Soap Box Derby in Akron, Ohio.

## SUMMARY OF THE LEGISLATION

Section 1 authorizes the use of the Capitol Grounds for the Greater Washington Soap Box Derby on June 16, 2007, or such other date as the Speaker of the House of Representatives and the Senate Committee on Rules and Administration may jointly designate.

Section 2 requires that the event be free of charge and arranged not to interfere with the needs of Congress, under conditions prescribed by the Architect of the Capitol and the Capitol Police Board. This section also maintains that the sponsor will also be responsible for all expenses and liabilities.

Section 3 allows the Architect of the Capitol to prescribe conditions for the physical preparations for the event.

Section 4 authorizes the Architect of the Capitol and the Capitol Police Board to make any additional arrangements that may be required to carry out the event.

Section 5 requires the Capitol Police Board to enforce all applicable restrictions on the use of the Capitol Grounds, including those relating to sales, advertisements, displays, and solicitations.

## LEGISLATIVE HISTORY AND COMMITTEE CONSIDERATION

On March 5, 2007, Majority Leader Hoyer introduced H. Con. Res. 79. On May 2, 2007, the Committee on Transportation and Infrastructure met in open session and ordered the resolution favorably reported to the House by voice vote.

## RECORD VOTES

Clause 3(b) of rule XIII of the House of Representatives requires each committee report to include the total number of votes cast for and against on each record vote on a motion to report and on any amendment offered to the measure or matter, and the names of those members voting for and against. There were no recorded votes taken in connection with ordering H. Con. Res. 79 reported. A motion to order H. Con. Res. 79 reported favorably to the House was agreed to by voice vote with a quorum present.

## COMMITTEE OVERSIGHT FINDINGS

With respect to the requirements of clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee's oversight findings and recommendations are reflected in this report.

## COST OF LEGISLATION

Clause 3(c)(2) of rule XIII of the Rules of the House of Representatives does not apply where a cost estimate and comparison prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974 has been timely submitted prior to the filing of the report and is included in the report. Such a cost estimate is included in this report.

## COMPLIANCE WITH HOUSE RULE XIII

1. With respect to the requirement of clause 3(c)(2) of rule XIII of the Rules of the House of Representatives, and 308(a) of the

Congressional Budget Act of 1974, the Committee references the report of the Congressional Budget Office included in the report.

2. With respect to the requirement of clause 3(c)(4) of rule XIII of the Rules of the House of Representatives, the performance goals and objectives of this legislation are to authorize the use of the Capitol Grounds for the Greater Washington Soap Box Derby.

3. With respect to the requirement of clause 3(c)(3) of rule XIII of the Rules of the House of Representatives and section 402 of the Congressional Budget Act of 1974, the Committee has received the enclosed cost estimate for H. Con. Res. 79 from the Director of the Congressional Budget Office:

U.S. CONGRESS,  
CONGRESSIONAL BUDGET OFFICE,  
*Washington, DC, May 3, 2007.*

Hon. JAMES L. OBERSTAR,  
*Chairman, Committee on Transportation and Infrastructure, House  
of Representatives, Washington, DC.*

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H. Con. Res. 79, a concurrent resolution authorizing the use of the Capitol grounds for the Greater Washington Soap Box Derby.

If you wish further details on these estimates, we will be pleased to provide them. The CBO staff contact is Matthew Pickford.

Sincerely,

PETER R. ORSZAG,  
*Director.*

Enclosure.

*H. Con. Res. 79—Authorizing the use of the Capitol grounds for the  
Greater Washington Soap Box Derby*

H. Con. Res. 79 would authorize the Greater Washington Soap Box Derby Association to use the Capitol grounds on June 16, 2007, or on such other date as the Speaker of the House of Representatives and the Senate Committee on Rules and Administration may jointly designate. Because it would require that the association assume responsibility for all expenses and liabilities associated with the event, CBO estimates that adopting H. Con. Res. 79 would result in no significant cost to the federal government.

The CBO staff contact for this estimate is Matthew Pickford. The estimate was approved by Peter H. Fontaine, Deputy Assistant Director for Budget Analysis.
